Gondola

Donna Leon

Gondola Donna Leon

Please note, this e-book edition does not include the audio recordings of Venetian barcarole.

Of all the trademarks of Venice, none is more ubiquitous than the gondola. In this beautifully illustrated collection, internationally bestselling author Donna Leon tells fascinating stories about these famous boats.

First used in medieval Venice as an easily maneuverable getaway boat, the gondola evolved over the centuries into a floating pleasure palace that facilitated the romantic escapades of the Venetian elite. Now a tourist favorite, the gondola has never ceased to be a part of authentic Venice. Each boat's 280 pieces are carefully fashioned in a *maestro*'s workshop—though Leon also recounts a tale of an American friend who decided to make a gondola all on his own, a feat that took five years to complete. But the gondola is a work of art well worth the labor, and no author is better poised to write about them than Leon, the “American with the Venetian heart” (*Washington Post*).

From reader reviews:

Jonathan Scott:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what you problem? How about your spare time? Or are you busy individual? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every person has many questions above. The doctor has to answer that question because just their can do in which. It said that about e-book. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this Gondola to read.

Kristen Zamora:

Information is provisions for individuals to get better life, information nowadays can get by anyone in everywhere. The information can be a understanding or any news even a huge concern. What people must be consider when those information which is within the former life are challenging to be find than now could be taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take Gondola as your daily resource information.

Ralph Capra:

Many people spending their time period by playing outside having friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to shell out your whole day by reading a book. Ugh, you think reading a book can actually hard because you have to take the book everywhere? It alright you can have the e-book, taking everywhere you want in your Touch screen phone. Like Gondola which is having the e-book version. So , try out this book? Let's observe.

Rafael Perez:

That guide can make you to feel relax. This kind of book Gondola was multi-colored and of course has pictures on the website. As we know that book Gondola has many kinds or style. Start from kids until teenagers. For example Naruto or Private investigator Conan you can read and think that you are the character on there. So , not at all of book are generally make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading that will.
