Just For Christmas Stella Bagwell

They needed a miracle...Hope Logan wanted only two things for Christmas—her husband, Drake, and the child he refused to give her. Drake had made it plain he had no desire to be a father...and it seemed his desire for Hope had disappeared as well. Drake Logan didn't mind taking risks—but not with his wife. Their one shot at being parents had ended in disaster. He'd almost lost Hope then...and now it looked as if he was going to lose her anyway. *Then came Stevie...* When Drake's young nephew arrived for the holidays, everything changed. Suddenly they seemed like a family—and they acted like it, too! Only, Stevie couldn't stay forever. And Hope and Drake had to decide if they loved each other enough to try again...or if their happiness would be *Just for Christmas*.
