Someone Is Watching: A Novel Joy Fielding

A pulse-pounding thriller perfect for fans of Lisa Gardner and Mary Higgins Clark with a sly nod toward Alfred Hitchcock's classic film *Rear Window*, *Someone Is Watching* boasts the extraordinary edge-of-your-seat storytelling of bestselling author Joy Fielding at the height of her powers.

As a special investigator for a hotshot Miami law firm, Bailey Carpenter is smart, savvy, and fearless. When she's assigned to spy on a deadbeat dad in the middle of the night, Bailey thinks nothing of the potential dangers, only that she needs to gather evidence. Then she is blindsided—attacked and nearly killed.

Now the firm grip Bailey once had on her life is shaken. Her nightmares merge into her waking hours and she's unable to venture beyond her front door without panicking. A veritable prisoner in her own home, Bailey is uncertain whom she can trust. But old habits die hard, and soon Bailey finds a new use for her idle binoculars: casually observing from her window neighboring buildings and other people's lives. This seemingly harmless diversion becomes a guilty pleasure when Bailey fixates on the handsome guy across the street—until she realizes that he is also watching *her*. Suddenly she must confront the terrifying possibility that he may be the man who shattered her life.

Though crippled by fear, Bailey knows she can't ignore her suspicions and risk leaving a predator at large. With the police making no headway in solving her case, she's determined to overcome her terror and reclaim the power she lost by unmasking her attacker and taking him down herself. But it's a harrowing battle that threatens to wreck Bailey's credibility, compromise an investigation, and maybe even claim her sanity.

Praise for *Someone Is Watching*

"*Someone Is Watching* gripped me from the first to the very last page. Bailey Carpenter is a heroine who's both victim and warrior woman, a fascinating sleuth who will linger with you long after you've finished this thrilling read."—**Tess Gerritsen**

"Joy Fielding has long been a go-to author for me. She never fails to deliver an edge-of-your-seat read, and with her patented blend of complex characters and escalating suspense she is in top form here. I highly recommend *Someone Is Watching*."—**Karen Robards**

"Joy Fielding pens a spiraling tale of paranoia and suspense, as sultry as a Miami night. Readers will find a heroine to root for, scold, and ultimately adore in Bailey Carpenter. Though comparisons to *Rear Window* will inevitably arise, Fielding has created something even more remarkable: a modern-day *Gaslight* in which both cat and mouse are real, flawed, and eminently relatable."—**Jenny Milchman**

"*Someone Is Watching* is a gripping, fast-paced psychological thriller reminiscent of *Rear Window* and the works of Lisa Gardner. . . . Not geared to the faint of heart, Fielding's story of one woman's search for justice, understanding, and internal peace is nothing short of arresting."—**Booklist (starred review)**

"This engrossing standalone from bestseller Fielding makes you care about Bailey Carpenter. . . . The characters pulsate with life, and there are a few shocks in store—for Bailey and the reader—before the denouement. And the presence of Jade, Claire's outspoken teen daughter, blows everyone else off the

page.”—*Publishers Weekly* (starred review)

“A pageturning ride with a likable protagonist.”—*Kirkus Reviews*

From reader reviews:

Christina Moss:

The particular book *Someone Is Watching: A Novel* will bring someone to the new experience of reading some sort of book. The author style to elucidate the idea is very unique. When you try to find new book to see, this book very acceptable to you. The book *Someone Is Watching: A Novel* is much recommended to you to read. You can also get the e-book in the official web site, so you can easier to read the book.

Jose Rosales:

Reading a reserve tends to be new life style within this era globalization. With examining you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Lots of author can inspire their very own reader with their story as well as their experience. Not only situation that share in the publications. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors these days always try to improve their proficiency in writing, they also doing some analysis before they write on their book. One of them is this *Someone Is Watching: A Novel*.

Rebecca Esquivel:

As we know that book is very important thing to add our knowledge for everything. By a e-book we can know everything you want. A book is a range of written, printed, illustrated or maybe blank sheet. Every year had been exactly added. This e-book *Someone Is Watching: A Novel* was filled regarding science. Spend your free time to add your knowledge about your scientific research competence. Some people has several feel when they reading the book. If you know how big benefit of a book, you can sense enjoy to read a guide. In the modern era like at this point, many ways to get book you wanted.

Michael Torres:

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this *Someone Is Watching: A Novel* can make you really feel more interested to read.
