The Five Disciplines of Intelligence Collection

The Five Disciplines of Intelligence Collection

Leading intelligence experts Mark M. Lowenthal and Robert M. Clark bring you an all new, groundbreaking title. **The Five Disciplines of Intelligence Collection** describes, in non-technical terms, the definition, history, process, management, and future trends of each intelligence collection source (INT). Authoritative and non-polemical, this book is the perfect teaching tool for classes addressing various types of collection. Chapter authors are past or current senior practitioners of the INT they discuss, providing expert assessment of ways particular types of collection fit within the larger context of the U.S. Intelligence Community.
