## **The Life of Milarepa: A New Translation from the Tibetan (Compass) Heruka**

**The Life of Milarepa** is the most beloved story of the Tibetan people and one of the greatest source books for the contemplative life in all world literature. This biography, a true folk tale from a culture now in crisis, can be read on several levels: a personal and moving introduction to Tibetan Buddhism, it is also a profoundly detailed guidebook in the search for consciousness. It presents the quest for spiritual perfection, tracing the path of a great sinner who became a great saint. But it is also a powerful and graphic folk tale, full of magic, disaster, feuds, deceptions, and humor.

This definitive translation, originally published in 1977, was the first to appear in any Western language in half a century and renders this classic of spiritual literature into a simple modern English that reflects the direct power of the original.
