The Semi-Attached Couple Emily Eden

The worst thing to happen to the season's perfect couple: marriage

When the young and gorgeous Helen Eskdale met the wealthy aristocrat Lord Teviot, everything clicked. This was a couple that was meant to be—the match of the year, if not the ages. But in the rush to the altar, there was no time for bride and groom to actually get to know each other. Now the question is: Can they keep their marriage from falling apart?

The Semi-Attached Couple explores the upstairs-downstairs intrigues and comic misunderstandings central to the classic English romance with all the wit, style, and charm of a Jane Austen novel.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.
