Life is full of defining moments. Like landmarks on a road map, these moments mark key points along your life's journey. A defining moment happens when you come face-to-face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same.

In this eight-part companion study guide to the *Defining Moments* DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture—the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever.

Story Behind the Book

While working to develop a series that would introduce people to a new mind-set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff, church, and through the extended home study groups of North Point Community Church, this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah.
