## **Leviticus (Geneva Series of Commentaries)** Andrew Bonar

Leviticus is one of the least read and understood parts of Scripture. Yet, the author of this commentary points out, no book in the Bible contains more of the very words of God than Leviticus.

Bonar wrote his notes on Leviticus for his personal use, but was persuaded to publish them by friends. His commentary, though based on sound exegesis, is marked by simplicity. The author is always careful to make spiritual application, for, as he says, 'The Gospel of the grace of God, with all that follows in its train, may be found in Leviticus. This is the glorious attraction of the book to every reader who feels himself a sinner.'
