Scenes of Passion

Safe and steady pretty much sums up Maggie Stanton's life. But a chance encounter stirs long-buried desires and urges her to do the unimaginable—take a risk. Shockingly, the man who convinces her to forsake predictability for passion is the full-grown version of her childhood best friend. Only, this Matthew Stone wants more and Maggie almost believes that their whirlwind romance is meant to be. Then she learns that Matthew is keeping a secret...and the consequences could change everything....

Scenes of Peril

The snowstorm forecast says it's a big one, but wildlife photographer Paige Dawson is prepared. Until a terrible car accident brings a sexy stranger to her remote mountain cabin and the bad weather strands them together...for days. The heat between them is like nothing she's ever known—incendiary, undeniable. And just as she begins to hope for something real with Colin Reid, after the snow melts, he remembers what caused his accident...and it may be too late for them both.
