Read this and you will never be the same again! Unlike anything else I have ever read, the Oversoul 7 trilogy stands alone, and in my top 5 books of all time. Cosmic truths presented in fictional format, but NOT cheesy or contrived like most 'New Age fiction.' You know what I mean - those books that have a story just to provide an excuse for New Age preaching. blech. It's great when it works, but it rarely works. Well this time it works! Jane Roberts pulls it off, and pulls it off quite well! Read Oversoul and your dreams will come alive. You will look at every sunflake with new appreciation. Your sense of time and space will be forever altered. You will grasp at last the paradox of nonlinear time (ie, 'time travel'). You will meet unforgettable characters and remember them fondly many years later (the hallmark of a great book). And, you'll have fun reading it.
