Deacon Reid was born bad to the bone with no intention of changing. A lifetime of law-bending and living on the edge suits him just fine, until his baby sister dies and he finds himself raising her little girl.

Staring down a family history of bad decisions and reaped consequences, Deacon cashes in everything he owns, purchases an auto shop in Half Moon Bay, and takes his niece, Zig, far away from the drug dens and murderous streets they grew up on. Zig deserves a better life than what he had, and Deacon is determined to give it to her.

Lang Harris is stunned when Zig, a little girl in combat boots and a purple tutu, blows into his bookstore, and then he's left speechless when her uncle, Deacon Reid, walks in hot on her heels. Lang always played it safe, but Deacon tempts him to step over the line...just a little bit.

More than a little bit. And Lang is willing to be tempted.

Unfortunately, Zig isn't the only bit of chaos dropped into Half Moon Bay. Violence and death strike, leaving Deacon scrambling to fight off a killer before he loses not only Zig but Lang too.
