"You must go to the dragon. You must leave tonight."

Before she even hears the words, Kaeldra already knows she must find the mother dragon whose draclings have just hatched and get some of the precious milk in order to save her foster sister's life. Since Kaeldra can communicate with dragons, she is the only one who can accomplish the task. And so she begins a journey that will entwine her fate with that of three little draclings and one would-be dragonslayer—a journey that will become a struggle for life.
