Last Wish Betty Rollin

At a time when tempers flare over the Oregon assisted suicide law and Jack Kevorkian's physician-aid-in-dying, *Last Wish*, Betty Rollin's groundbreaking *New York Times* bestseller, is due for a rereading. *Last Wish* is an intimate, fiercely honest memoir of a daughter's struggle to come to terms with her terminally ill mother's decision to die. More than an examination of the ethical, spiritual, and technical aspects of assisted suicide, *Last Wish* is also a celebration of Rollin's imperfect family, a passionate testament to her mother's character and courage, and a compelling argument for the right of the terminally ill to a humane and dignified death. The PublicAffairs paperback edition includes a new foreword, questions for thought and discussion, and a helpful resource guide.
