Hermann Hesse

Pictor's Metamorphoses: and Other Fantasies Hermann Hesse

In the spring of 1922, several months after completing *Siddhartha*, Hermann Hesse wrote a fairy tale that was also a love story, inspired by the woman who was to become his second wife. That story, *Pictor's Metamorphoses*, is the centerpiece of this anthology of Hesse's luminous short fiction. Based on *The Arabian Nights* and the work of the Brothers Grimm, the nineteen stories collected here represent a half century of Hesse's short writings. They display the full range of Hesse's lifetime fascination with fantasy--as dream, fairy tale, satire, or allegory.
