The Emperor's Conspiracy (Regency London Series Book 1) Michelle Diener

From nineteenth-century London's elegant ballrooms to its darkest slums, a spirited young woman and a nobleman investigating for the Crown unmask a plot by Napoleon to bleed England of its gold.

Chance led to Charlotte Raven's transformation from chimney sweep to wealthy, educated noblewoman, but she still walks a delicate tightrope between two worlds, unable to turn her back on the ruthless crime lord who was once her childhood protector.

When Lord Edward Durnham is tapped to solve the mystery of England's rapidly disappearing gold, his search leads him to the stews of London, and Charlotte becomes his intriguing guide to the city's dark, forbidding underworld. But as her involvement brings Charlotte to the attention of men who have no qualms about who they hurt, and as Edward forges a grudging alliance with the dangerous ghosts of Charlotte's former life, she faces a choice: to continue living in limbo, or to close the door on the past and risk her heart and her happiness on an unpredictable future.

From reader reviews:

Frank Barcomb:

As people who live in the particular modest era should be update about what going on or details even knowledge to make these keep up with the era which can be always change and progress. Some of you maybe will update themselves by examining books. It is a good choice for yourself but the problems coming to a person is you don't know which you should start with. This The Emperor's Conspiracy (Regency London Series Book 1) is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Rose Rowe:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want get more knowledge just go with education and learning books but if you want experience happy read one along with theme for entertaining including comic or novel. The actual The Emperor's Conspiracy (Regency London Series Book 1) is kind of guide which is giving the reader capricious experience.

Lisa Chaffee:

People live in this new day time of lifestyle always aim to and must have the spare time or they will get lots of stress from both daily life and work. So , if we ask do people have time, we will say absolutely of course. People is human not just a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will probably unlimited right. Then ever try this one, reading publications. It can be your alternative within spending your spare time, the actual book you have read is The Emperor's Conspiracy (Regency London Series Book 1).

James Robinson:

Is it you who having spare time subsequently spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This The Emperor's Conspiracy (Regency London Series Book 1) can be the response, oh how comes? A book you know. You are so out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?
