The Minor Prophets: An Exegetical and Expository Commentary

The Minor Prophets: An Exegetical and Expository Commentary

With their messages of doom and judgment, the Minor Prophets have not been popular subjects in the history of biblical interpretation. Here noted evangelical scholars--such as Bruce Waltke, Tremper Longman III, F. F. Bruce, and J. Alec Motyer--remedy this neglect by offering an authoritative, evangelical treatment of the prophets. In this edition, which now combines three volumes into one, the authors not only provide meticulous exegesis of the Hebrew text but also relate the message of the ancient prophets to contemporary life in practical and meaningful ways.
