## Unexpected Love: Seasons of Redemption, Book Three Andrea Boeshaar

Nurse Lorena Fields always took her job at Chicago's Lakeview Hospital seriously, determining never to become personally involved with her patients. Then a mysterious man with eyes like onyx is admitted after a shipwreck on Lake Michigan. He has lost his memory and sight. Renna feels a special kinship with this man and dubs him Mr. Blackeyes. Soon the two build a strong trusting friendship, and Renna shares her faith in the Lord. But she dreads the day her patient will recover. His memory will take him away from her to family and friends now forgotten, and his regained sight will reveal a secret about herself that Renna has been trying hard to hide. But someone else besides Renna doesn't want "Mr. Blackeyes" to remember the past...and may not allow him to live to see the future.
