## **Guided to Wisdom** Susan D'Agostino

In her new book Susan D'Agostino, emotional healer and internationally accredited Healer of the Journey Work, uses her own journey to demonstrate the power within all of us to overcome the many challenges of life, not by looking for outside help but rather looking inward at our true selves.

Diagnosed with cancer, Susan understood intuitively that invasive medical techniques wouldn't save her, and she turned inward to confront and overcome a lifetime of emotional damage. With guidance and grace, Susan unlocked her own inner power and resolved not only the cancer, but her life-long battle with depression, and a failing marriage. Today she is 10-years cancer free, happy and very much in love. Guided to Wisdom is not just her story, but an honest, deeply personal guidebook to help others discover their own potential.
