Brian R. Hamnett

La política española en una época revolucionaria, 1790-1820 (Seccioni De Obras De Historia) (Spanish Edition) Brian R. Hamnett

La presente obra originalmente formaba parte de un estudio comparativo del impacto de la crisis del antiguo régimen, el primer liberalismo, y la reacción conservadora o tradicionalista en la España metropolitana y los dos virreinos principales del continente americano, la Nueva España y el Perú. Sin embargo, dos estudios distintos, pero relacionados, aparecieron durante el curso del desarrollo de este tema. La segunda edición intenta revisar el texto anterior, profundizar los temas abarcadas, y actualizar los temas y las fuentes. Cuando empecé este amplio estudio, pensaba que fuera esencial de examinar los temas en conjunto, porque la España imperial y sus territorios americanos compartían un espacio político común, a pesar de las crecientes diferencias entre metrópoli y dependencias en las últimas décadas del siglo XVIII y primeras del siglo XIX.
