Passover Haggadah John Almanrode

Passover is a story that has been retold for thousands of years. It is the account of God's miraculous deliverance of His people from slavery to freedom, from despair to hope, from darkness to light. It encompasses the eternal truths of His character and personal involvement with His people. It endures as a testimony to His grace and merciful redemption because of the faithful who have told the story to their children from the time of ancient Egypt through the days of Messiah until this very night. This Passover Haggadah is a compilation from several different sources: the Covenant Community Church in McCook, Nebraska, two Messianic Haggadahs that were formatted from a traditional Jewish one, and our own personal insights from years of celebrating the memorial to the Lord's Passover. Yeshua, the Messiah is the reality in the shadows of Passover. His last Passover seder is central in this Haggadah and you will learn more about your Savior and this 'appointed time' of God. Purchase a copy for your family and celebrate a Passover in your home or purchase multiple copies to celebrate it in your local fellowship community.
