Absolutely True Lies: A Novel Rachel Stuhler

A fledgling entertainment writer stumbles into the gig of a lifetime writing a teenage pop star's memoir and soon realizes that the young celebrity's squeaky-clean image is purely a work of fiction.

Struggling writer Holly Gracin is on the verge of moving back home to upstate New York when she gets hired to write the memoirs of eighteen-year-old Daisy Mae Dixson, a former Nickelodeon child star who has moved seamlessly into both blockbuster movies and pop music.

Holly quickly realizes that Daisy's wholesome public image is purely a work of fiction, as Holly finds herself trailing the star as she travels around the world on yachts, gets stalked by paparazzi, and sneaks out of five-star hotels in the dead of night.

As Holly struggles to write a flattering portrait of a teenage millionaire who only eats "nightshades" and treats her employees like slaves, Daisy has a public meltdown—and suddenly, her book is the cornerstone of resurrecting her image. But working at all hours trailing a pop star has taken its toll, and Holly must decide if becoming the ultimate insider is worth losing a starring role in her own life.

Fun, juicy, and inspired by Rachel Stuhler's own stranger-than-fiction experiences as a celebrity ghost writer, *Absolutely True Lies* is an entertaining look at how the lifestyles of the rich and famous aren't always what they seem.
