Christo and Jeanne-Claude: Prints and Objects (A Catalogue Raisonné) Matthias Koddenberg

Christo and Jeanne-Claude. Each was born on the same day in 1935, and this unusual artist couple worked together until Jeanne-Claude's death in 2009, changing the art world in the process.

For their dramatic large-scale installations such as *The Gates* in NYC's Central Park, *Wrapped Reichstag* in Berlin, and *Running Fence* in Sonoma and Marin counties, California, they enveloped buildings and entire landscapes in various materials, revealing at the same time the essence and beauty of these structures and objects of nature.

Refusing to accept commissions, and so in order to finance these enormous works of art themselves, Christo and Jeanne-Claude began making editions early on in their career--prints, collages, and objects. This completely updated, one-of-a-kind catalogue of works, designed by Schellmann Art and produced to the highest specifications, is an essential part of the story of these sui generis contemporary artists and a testament to their impressive breadth of vision and their independence and courage.
