Come educare i figli in una Società villana (Italian Edition) Sergio Felletti

Il libro presenta un vasto panorama di sapienti consigli per avere buoni risultati nell'allevare i figli. È comunque di fondamentale importanza che i genitori siano sempre e in ogni tempo aperti e disponibili all'attenzione richiesta dai loro figli, e che in tutta calma e tranquillità impartiscano loro la giusta e buona educazione. Nell'odierno mondo permissivo, viziato e maleducato, però, molti genitori trascurano questo consiglio o lo prendono troppo alla leggera. Quando i genitori seguono l'opinione corrente che viene divulgata da educatori non esperti ma ciarlatani, secondo cui i figli devono imparare a risolvere i problemi da soli, questi vengono spesso abbandonati a se stessi. D'altronde, se non dai propri genitori, da chi dovrebbero andare i nostri figli per ricevere saggi consigli e aiuto alle soluzioni dei loro problemi? In quali mani straniere, inesperte e individui loschi e senza scrupoli finiranno? Sì, l'educazione spetta obbligatoriamente ed esclusivamente ai genitori stessi. Quanto è assai meglio che i genitori stessi inculchino nei loro figli i sani principi, dando loro sempre, di prima persona, e in ogni occasione e circostanza più di un ampio aiuto e soluzione, insieme ad una salubre e amorevole educazione fin dalla tenera età! Mettendo in pratica i consigli qui esposti e se non si stancheranno di attuarli, i genitori mieteranno ricche ricompense, immancabilmente gioiranno per tutta la loro vita.
