## **KRAFTWERK J'étais un robot (French Edition)** Wolfgang Flür

The Prodigy, Fat Boy Slim, The Chemical Brothers ne sont que quelques-uns des grands noms de la culture dance d'aujourd'hui dont l'œuvre doit beaucoup à Kraftwerk. Pionnier du minimalisme électronique dans les années 70 et 80, Kraftwerk s'est efforcé de franchir les limites de ce qui était alors communément assimilé à de la pop, grâce à des chansons comme "Autobahn", "The Robots" et "The Model". Ils ont engendré de nombreux imitateurs, en particulier visuellement, et étaient éminemment heureux sur scène lorsqu'ils étaient représentés par des robots. Des premiers pas d'un enfant d'après-guerre jusqu'à son départ douloureux de Kraftwerk en 1987, "J'étais un robot" raconte le parcours personnel et musical de Wolfgang Flür, le batteur du groupe. Sincère, sans compromis, et cependant ouvert et "bien trop humain", ce livre explore l'univers homogène de ce groupe d'innovateurs allemands des plus mystérieux – exploration que les autres membres ont essayé de contrer juridiquement.

In a situation you wish to purchase the e-book, you can wide open their official web-site and order it. Have a nice examine.

#### Alex Miller:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this KRAFTWERK J'étais un robot (French Edition) can make you really feel more interested to read.
