Radionica (Manuali per l'anima) (Italian Edition) Picchi Giorgio

Alla base della Radionica è insito il concetto che l'uomo e tutte le forme di vita che esistono sul nostro Pianeta possiedono un campo elettromagnetico che mantiene e organizza la loro vita. Materia, spirito, emozioni, pensieri, in pratica, non sono altro che energia a diversi livelli vibratorii nella Manifestazione, pertanto, un operatore radionico che conosce il valore energetico dei simboli, può combinarli e indirizzarli sapientemente per conseguire il risultato che si è prefisso o gli viene richiesto. In questo libro viene trattata la Radionica grafica che consente al lettore, anche alle prime armi, di sperimentare con successo i circuiti che l'autore ha studiato e realizzato con geometrie armoniche e frequenze numeriche, per cercare di risolvere le varie situazioni e problematiche che possono presentarsi nella vita quotidiana. Vengono forniti, già collaudati, circuiti relativi alla sfera affettiva, all'ambito lavorativo, alle relazioni sociali, al denaro e al successo, alla protezione personale, all'uso medicale e ad altro ancora. Si suddivide in tre parti: la prima parte mette il lettore in condizione di apprendere le nozioni di base, che gli permetteranno di avere la conoscenza necessaria per poter operare con i circuiti e, all'occorrenza, crearne di nuovi e personali; la seconda parte fornisce un vasta gamma di circuiti grafici e quadranti pronti all'uso; la terza parte, infine, riguarda i materiali più idonei che possono venire utilizzati nel campo radionico.
