Snowmageddon takes us back into the Bentley household as Estelle crusades for a group home to move into the neighborhood in hopes that her mentally challenged son can become one of the residents. But the tenuous relationships the Bentleys have developed since they moved to the neighborhood, risk coming apart as opposition to the group home uncovers age-old prejudices and fears, as well as simmering tensions between the two Jewish and Iranian families. Harry Bentley faces his own demons when he risks losing custody of his only grandson and when the young woman he promised to protect from a vengeful drug mule flees the safety of the neighborhood. After so much progress, Beecham Street faces another blizzard The fifth in the Windy City Neighbors series, Snowmageddon brings the Beecham Street neighbors full circle during a historic snowstorm that whiteouts a wedding, threatens the life of a mother and unborn child, and challenges just how much neighbors can count on each other when push comes to shove. Welcome to Beecham Street-a typical, isolated American neighborhood that was beginning to come out of its shell . . . but is about to be snowed under.
