The Weaker Side

Dom Famularo, Stephane Chamberland

The Weaker Side Dom Famularo, Stephane Chamberland

This book addresses the common problem of proportionally unequal abilities between a drummer's dominant and weaker muscle sets in drumming technique. The strategic exercises are designed to develop the under-used muscles to cultivate a more balanced ability for controlled movement and a fluid and consistent sound. Organized for gradual strengthening through daily practice, the exercises can be used for both hands and feet.
