Outlaw's Kiss Nan Ryan

With her life in shambles, a young woman joins a gang of rough-riding outlaws

When the ambush of a gold shipment for the army ends with the death of a Union soldier, Cordell Rogers and his ex-Confederate raiding party flee to Mexico. Cordell brings his wife and daughter, Mollie, but scarlet fever leaves him a widower, and young Mollie must grow up among his ragtag band of bandits. On her eighteenth birthday, Mollie makes a decision. She leaps on her horse, straps on a pistol, and prepares to become an outlaw.

As Mollie begins her career as a renegade, the son of the soldier killed in the long-ago raid searches Mexico for justice. His fevered quest could destroy Cordell's band of outlaws, but only if he can resist the charms of the sultry young woman who rides like a man.
