What to Do When You Can't Decide

Meg Lundstrom

What to Do When You Can't Decide Meg Lundstrom

You're at a fork in the road. Now what? It may surprise you, but according to Meg Lundstrom, you already have the answer-if you just know how to tap your inner-guidance system. With *What to Do When You Can't Decide*, she teaches us three effective divining tools for accessing our innate wisdom:

- “Pendling,” a method that uses a handheld instrument
- “The Chits,” an easy pen-and-paper technique
- “Muscle testing,” an on-the-spot technique that allows your fingers to “do the talking.”

Bypassing the conscious mind to access your deeper subconscious intelligence, these techniques can help you make reliable decisions, end second-guessing, and enhance the flow in your life. Includes practical exercises, a troubleshooting guide, and advanced techniques for deciding what to do in any situation.
