Thomas Woodward

Darwin contraataca (Spanish Edition) Thomas Woodward

En esta secuela a su galardonada obra *Dudas sobre Darwin*, Thomas Woodward sigue la historia de la polémica planteada entre dos bandos acerca de las diversas cuestiones sobre el origen de la vida. Woodward responde a estas y otras preguntas:

- ¿Cómo se ha ido desarrollando el debate, y cómo se perfila para el futuro?
- ¿A qué conclusiones podemos llegar acerca de nuestros orígenes, en base a la evidencia científica?

No hay mejor guía para ayudar al lector a navegar en medio de este importante debate.

In this sequel to this award-winning *Doubts About Darwin*, Thomas Woodward--the premier historian of the Intelligent Design Movement--traces the struggle that has emerged as the two sides wrestle with questions of the origin of life. Woodward answers these questions and more:

- Who are the key players on each side, and what contributions have they made?
- What conclusions can we draw about our origins based on the scientific evidence?

This timely and well-written book takes the reader behind the headlines and analyzes the crucial developments of the past decade.
