**Persistent Inequality: Contemporary Realities in the Education of Undocumented Latina/o Students (Critical Educator (Paperback))** Maria Pabon Lopez, Gerardo R. Lopez

The children of undocumented migrants in the U.S. are trapped at the intersection of two systems in crisis: the public education system and the immigration law system. Based on a long tradition of scholarship in Latino education and on newer critical race theory ideas, *Persistent Inequality* answers burning questions about how educational policy has to rise to meet the unique challenges of undocumented students' lives as well as those which face nearly all Latinos in the U.S. educational system.

How solid is the Supreme Court precedent, *Plyler v. Doe*, that allows undocumented children the opportunity to attend public school K-12 free of charge? What would happen if the Supreme Court overruled it? What is the DREAM Act and how would this proposed federal law affect the lives of undocumented students? How have immigration raids affected public school children and school administrators? To shed some light on these vital questions, the authors provide a critical analysis of the various legal and policy aspects of the U.S. educational system, asserting that both the legal and educational systems in this country need to address the living and working conditions of undocumented Latino students and remove the obstacles to educational achievement which these students struggle with daily.

If I were being you I will go to the book store hurriedly.

**Taylor Becker:**

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important,

boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Persistent Inequality: Contemporary Realities in the Education of Undocumented Latina/o Students (Critical Educator (Paperback)) can make you experience more interested to read.
