The Dying Game (Griffin Powell Book 7) Beverly Barton

Play To Win. . .

It's the ultimate game--the adrenaline surge of the hunt, the thrill of victory, the agony of defeat. For in this game, the rules are simple: To win, you only have to kill. To lose, you will have to die. . .

Play To Scream. . .

The victims are former beauty queens found with a single rose beside their bodies. Lindsay McAllister has seen this signature before, when she was a rookie detective with the Chattanooga PD investigating the death of Judd Walker's wife, a murder that sent the handsome lawyer off the deep end. Now, Lindsay has the brutal task of telling Judd that his wife's killer has struck again, and she's going to need his help to outplay their opponent--because the killer is getting bolder, faster, and more ruthless. The game is escalating, and no one is safe.

Play To Die. . .

Now as the body count rises, the rules are changing. A killer will do anything to win. And the only way for Lindsay to stop a madman's twisted game is to play it herself. . .
