War Against the Mafia (The Executioner Book 1) Don Pendleton
To avenge his family, a soldier brings home the Vietnam War

In the jungles of Southeast Asia, no sniper was more ruthless than Mack Bolan. After twelve years in-country, with ninety-five confirmed kills, he comes home to the United States only to find that his father has gone berserk, slaughtering his family before taking his own life. But Mack knows his father was no killer. He was under pressure from a gang of Mafia thugs who were after his money and were willing to destroy his life to get it. For the sake of his old man, Bolan declares war on the men who drove him mad.

Five loan sharks are getting into their car when a bullet slams one of them to the ground. Before the others can draw their guns, four more shots ring out, leaving them as the first casualties in the Executioner's war. From his hometown to every city in America, Mack Bolan will deliver justice from the barrel of a gun.
