All This Stuff: Archiving the Artist

Introduced by Clive Phillpot, and including artists and writers such as Gustav Metzger, Bruce McLean, Barbara Steveni, John Latham, Barry Flanagan, Edward Burra, Penelope Curtis, and Neal White, *All This Stuff* breaks new ground in the field of archive theory. It documents the innovative ways in which the arts are challenging the distinctions, processes, and crossovers between artworks and archives. This critical reexamination exemplifies how the field of art archiving is changing theory and practice as well as our understanding of what an archive is, or could be. Valuable insights are given into the archival process and the book also explores how archives can be made accessible and the unpredictable ways in which they may be explored and reinterpreted in the future.
