## **Cuentos Del Siglo Xix (Biblioteca Edaf Juvenil) (Spanish Edition)** Varios Autores

Los escritores más destacados del siglo XIX cultivaron el cuento literario con la misma dedicación y maestría que emplearon para otros géneros llamados mayores. En esta rigurosa antología, escritores de la talla de Clarín, Espronceda o Zorilla se unen a autores que dedicaron la mayor parte de su obra a la narración breve y al periodismo: Larra, Fernanflor, Pardo Bazán. Los textos seleccionados son una muestra de distintas épocas estilos y temas. Desde los relatos más representativos del romanticismo exaltado, hasta el cuento realista. No faltan algunas fábulas y varios relatos en los que se combinan el misterio, el humor y la fantasía. Un buen paseo por el siglo del cuento.
