As we move out of the past and into the present, our landscape is forever altered by the passing of time. The face of Kokomo, "The City of Firsts," has changed over the years. Once an image of small-town Americana, Kokomo has grown-expanding its industrial reach, enticing new residents, and continuing to be the first in a number of fields.

Kokomo, Indiana: Then and Now takes the reader back to a simpler time in Kokomo history. Using historic images paired with contemporary photos, authors Thomas D. and Barbara Hamilton have created a charming view of the area's history and evolution.
