La classe politica (Farsi un'idea) (Italian Edition) Gianfranco Pasquino

Le classi politiche sono centrali in tutti i sistemi politici. Inevitabilmente nelle democrazie contemporanee qualsiasi discorso, anche critico, sulla classe politica si intreccia con il ruolo dei partiti, con il problema della rappresentanza e, più in generale, con il funzionamento della democrazia stessa. Infatti, le classi politiche contemporanee sono sostanzialmente di estrazione partitica e si collocano prevalentemente in ruoli elettivi, parlamentari e di governo. Questo volume intende illustrare le modalità con le quali le classi politiche si formano, funzionano e si ricambiano, valutare quali contributi esse diano alla democrazia e quali problemi invece creino. Sono poi analizzate le possibili soluzioni che vengono proposte per migliorare la qualità della classe politica, per controllarne il potere, per favorirne il ricambio, e le alternative, più o meno praticabili, che vengono suggerite per sostituirla.
