Mind Wars Marie D. Jones, Larry Flaxman

“This exemplary and alarming book chronologically details the vast array of coercive mind control methods and techniques—from those used in ancient times all the way to the Cold War/MKUltra years and, finally, the present-day use of directed energy weapons. *Mind Wars* is a must-read for those who desire a comprehensive understanding of the subversive alteration and modification of human behavior, on a micro and macro scale.”

—Ron Patton, publisher of MKzine and Paranoia Magazine

“It is extremely unnerving to consider what has been done and will be done in order to subdue human consciousness. This is a must-read for those who refuse to join the consensus trance.”

—Patrick Whyte, co-owner/operator of Conspiracy Culture Bookstore
