The church is filled with people asking, "Is this it? Is this all the Christian life is supposed to be?" They long to experience more of God's presence-they just don't know how to get there. Some have been burned by "charismania." Others are fearful of it. Is there a way to experience the Spirit-without the weirdness?

Author and pastor Alan Kraft provides a biblical pathway into the exhilaration of an everyday experience with the Holy Spirit, showing how normal it can be to hear His voice, know His love, and walk in His power.

- Learn how to hear God speak in personal ways and how to discern His voice.
- Understand and experience what it means to be filled with the Spirit.
- Be inspired and equipped to pray for the sick, without feeling awkward or demanding.
- Relax about topics like prophecy and speaking in tongues, rather than feeling defensive or afraid.
