New Asian Emperors George Haley, Chin Tiong Tan, Usha C V Haley

Much has been written about the rise of the Asian economies in recent decades, and their coming economic dominance in the next century. The New Asian Emperors shows how and why overseas Chinese companies are achieving dominance in the Asia Pacific. In the wake of the Asian Currency crisis, this book takes a fresh look at the role of the overseas Chinese as they continue to create some of Asia's most wealthy and successful companies.

In particular, the authors tackle the principal difference between Western and Eastern business practices. The overseas Chinese, due to their origins and history developed a unique form of management - now they maintain it as their competitive advantage.

Although Asian governments are currently floundering, the overseas Chinese networks continue to prosper. The authors explain the following to Eastern and Western managers:

the sources and characteristics of overseas Chinese management,
how to combat the overseas Chinese,
the strengths and exploitable weaknesses of the overseas Chinese,
whether overseas Chinese management practices will spread in the same way as Japanese management did,
whether Western management technologies will find themselves outclassed.

A feature of the book are the exclusive, in-depth interviews with the New Asian Emperors since most of them avoid the press and little is known of them.

From reader reviews:

Lorraine Briggs:

Now a day individuals who Living in the era everywhere everything reachable by interact with the internet and the resources inside can be true or not need people to be aware of each information they get. How people have to be smart in getting any information nowadays? Of course the reply is reading a book. Reading through a book can help persons out of this uncertainty Information especially this New Asian Emperors book because book offers you rich data and knowledge. Of course the data in this book hundred per-cent guarantees there is no doubt in it you may already know.

Arthur Bennett:

Nowadays reading books become more than want or need but also turn into a life style. This reading addiction give you lot of advantages. Associate programs you got of course the knowledge your information inside the book in which improve your knowledge and information. The details you get based on what kind of e-book you read, if you want get more knowledge just go with education books but if you want really feel happy read one having theme for entertaining for instance comic or novel. Typically the New Asian Emperors is kind of book which is giving the reader capricious experience.

Sheila Collins:

Your reading sixth sense will not betray you actually, why because this New Asian Emperors book written by well-known writer whose to say well how to make book that can be understand by anyone who else read the book. Written inside good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own personal hunger then you still doubt New Asian Emperors as good book not just by the cover but also with the content. This is one e-book that can break don't evaluate book by its protect, so do you still needing an additional sixth sense to pick this!?! Oh come on your reading sixth sense already said so why you have to listening to yet another sixth sense.

Jessie Adams:

What is your hobby? Have you heard which question when you got pupils? We believe that that question was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person like reading or as looking at become their hobby. You need to know that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your personal teacher or lecturer. You find good news or update about something by book. Numerous books that can you decide to try be your object. One of them is actually New Asian Emperors.
