A Voce Grande (Italian Edition) Valeria Lupidi

Che significato ha oggi la festa della donna? Viene da chiederselo osservando quanto consumismo ruota attorno alla ricorrenza dell'8 marzo.

La storia invece ci racconta di un impervio cammino percorso per raggiungere il riconoscimento di diritti umani, non certo legati al "genere".

Conoscere gli avvenimenti che hanno segnato l'istituzione di questa ricorrenza ci aiuta a comprendere che l'8 marzo non può essere ricondotto a serate danzanti, cioccolatini o saccheggio di alberi di mimosa. È molto di più. È una scalata alla dignità. È la voglia di riscatto. È essere orgogliosi di quello che si è raggiunto.

Ma come si può festeggiare le donne e poi ucciderle, schiavizzarle, farle lavorare più degli uomini ma pagarle di meno. Costringerle a coprire il volto, a tappare la bocca, a non pensare quando invece è forte la volontà di urlare e di rivendicare il proprio ruolo nella famiglia, nella società, nel mondo.

"A Voce Grande" vuole allora essere un inno alla gioia, la voglia di gridare, di sorridere, di cantare... ma vuole essere soprattutto un augurio ed un regalo che l'autrice ed il fumettista vogliono offrire a tutte le donne!

From reader reviews:

Eleanor Yoo:

Book is to be different per grade. Book for children until finally adult are different content. We all know that that book is very important for us. The book A Voce Grande (Italian Edition) ended up being making you to know about other information and of course you can take more information. It is very advantages for you. The publication A Voce Grande (Italian Edition) is not only giving you more new information but also for being your friend when you experience bored. You can spend your spend time to read your guide. Try to make relationship while using book A Voce Grande (Italian Edition). You never truly feel lose out for everything when you read some books.

Ruby Mejia:

Here thing why this specific A Voce Grande (Italian Edition) are different and trustworthy to be yours. First of all reading through a book is good nevertheless it depends in the content of computer which is the content is as delicious as food or not. A Voce Grande (Italian Edition) giving you information deeper as different ways, you can find any reserve out there but there is no reserve that similar with A Voce Grande (Italian Edition). It gives you thrill looking at journey, its open up your eyes about the thing which happened in the world which is probably can be happened around you. You can actually bring everywhere like in park your car, café, or even in your technique home by train. Should you be having difficulties in bringing the printed book maybe the form of A Voce Grande (Italian Edition) in e-book can be your alternative.

Shawn Mathison:

People live in this new day of lifestyle always make an effort to and must have the free time or they will get great deal of stress from both way of life and work. So , if we ask do people have time, we will say absolutely indeed. People is human not really a robot. Then we consult again, what kind of activity do you possess when the spare time coming to anyone of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative with spending your spare time, the actual book you have read is usually A Voce Grande (Italian Edition).

Carl Fox:

Your reading 6th sense will not betray an individual, why because this A Voce Grande (Italian Edition) book written by well-known writer we are excited for well how to make book that may be understand by anyone who else read the book. Written inside good manner for you, dripping every ideas and producing skill only for eliminate your current hunger then you still hesitation A Voce Grande (Italian Edition) as good book not just by the cover but also with the content. This is one book that can break don't evaluate book by its cover, so do you still needing another sixth sense to pick this!? Oh come on your reading through sixth sense already told you so why you have to listening to an additional sixth sense.
