Essential Seduction Nikki Soarde

David Metcalfe seduces women for a living. However, after several years as an undercover operative, using his dashing good looks to facilitate the quest for justice has lost its appeal. And when a retaliatory attack lands him in the hospital, he decides it's time to move on. When friend and former colleague Detective Stevie Soltice comes to him with a special request, it's hard to say no. Especially when the operation involves rescuing her daughter from The Way, a secretive cult isolated deep in the Appalachian Mountains. Stevie believes the only way in is through the founder's daughter Thea, a beautiful but lonely woman whom they hope will be vulnerable to David's unique talents. When David meets Thea, she turns his life upside down. Her dedication and passion stir things inside him he's never experienced before and he finds himself falling in love for the first time. But the deception complicates things. And eventually he must decide what's more important. His love for Thea or the welfare of an innocent young girl?
