Once Upon a Marigold Jean Ferris

Who knew love could be so amazing—and stupefying? Not Christian. He was clueless when he started spying on the royal family through his telescope. He lives in a cave with a troll for a dad, after all. If his dad had only warned him about all that mind-boggling love stuff, maybe things wouldn't be such a mess. But then, maybe, Princess Marigold would be dead.

But Christian *wasn't* warned. And now that he's fallen for the princess, it's up to him to untwist an odd love triangle—er, *rectangle*—and foil a scheming queen who wants to take over the kingdom, even if it means bumping off her own daughter.

With echoes of William Goldman's modern classic *The Princess Bride*, Jean Ferris's hilarious parody of "Once upon a time . . ." overflows with oddball characters and sage observations—and ends with a slapstick happily-ever-after that's full of surprises.
