The Buddha: The Story of an Awakened Life

David Kherdian

The Buddha: The Story of an Awakened Life David Kherdian

A simple, uplifting telling of the life of Buddha by an award-winning, best-selling author. This is the first account of the Buddha story that does not separate, but blends the elements of history, apochrypha, and the Buddhist tenets into a compelling, page-turning narrative: it establishes Buddha as an exceptional mortal who embodies the search for immortality and the end of suffering. Not for Buddhist insiders, but for all readers, this tale reaches across time to those with similar yearnings and needs, because all humans wish to elude death.
