According to the Atlanta-based National Pond Society, there are approximately 9 million pond hobbyists in the United States today. Water features provide a calm oasis for homeowners to visit after a hectic day. If building a pool is beyond your budget, consider adding a small stand-alone fountain to partake in this trend. *The Complete Guide to Building Backyard Ponds, Fountains, and Waterfalls for Homeowners* provides step-by-step instructions and design plans for building a variety of water features.
