Clara Kurt Palka

Inspired by a true story and based on a wealth of family documents, this elegant and compelling novel chronicles the lives of two families from the 1930s through the coming of the Nazis and World War II, and the long, difficult post-War period to the present. A must-read for fans of Irene Nemirovsky, Hans Fallada, and Bernhard Schlink's **The Reader**.

This vividly realized, masterfully executed novel is a window into a little-explored corner of history. **Patient Number 7** is a story of love between an aristocratic young woman and the cavalry officer -- later Panzer officer in the German army -- she marries; between friends who help each other through the Nazi takeover of Austria, the war, and what was sometimes worse, the "liberation"; between a mother and her two very different daughters. But it is also the story of a nation's darkest days, and its slow recovery during one of the most convulsive, violent periods of human history. Beautifully written, haunting, and ultimately redemptive, it is a work of great skill and great compassion.

From the Hardcover edition.

From reader reviews:

Richard Vedder:

This Clara are usually reliable for you who want to be considered a successful person, why. The explanation of this Clara can be among the great books you must have is usually giving you more than just simple reading through food but feed an individual with information that maybe will shock your previous knowledge. This book is usually handy, you can bring it just about everywhere and whenever your conditions in the e-book and printed versions. Beside that this Clara giving you an enormous of experience for instance rich vocabulary, giving you trial run of critical thinking that we all know it useful in your day task. So , let's have it and revel in reading.

Lisa Madruga:

Reading can called mind hangout, why? Because while you are reading a book particularly book entitled Clara your mind will drift away trough every dimension, wandering in each and every aspect that maybe not known for but surely can be your mind friends. Imaging each and every word written in a guide then become one web form conclusion and explanation that will maybe you never get just before. The Clara giving you one more experience more than blown away your mind but also giving you useful info for your better life within this era. So now let us teach you the relaxing pattern this is your body and mind will likely be pleased when you are finished reading through it, like winning a sport. Do you want to try this extraordinary spending spare time activity?

Lucy Carson:

As we know that book is vital thing to add our expertise for everything. By a publication we can know everything we want. A book is a set of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This publication Clara was filled about science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has diverse feel when they reading some sort of book. If you know how big selling point of a book, you can feel enjoy to read a reserve. In the modern era like at this point, many ways to get book that you simply wanted.

Lisa Gregory:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Clara can make you truly feel more interested to read.
