Icons of Danish modernity: Georg Brandes and Asta Nielsen (New directions in Scandinavian studies)

Julie K. Allen

This lively study brings its central characters to life while offering an original, thought-provoking analysis of the origins and permutations of Danish modernism and Danish national identity - issues that continue to be significant in today's multi-ethnic Denmark. *Icons of Danish Modernity* is a book about the uneasy waves that arise when celebrities take on national symbolism, and about the beginnings of this formula in the early twentieth century.
