## **In A Page Infectious Disease (In a Page Series)** Jack McCue MD, Scott Kahan

Featuring a uniquely visual two-page-spread design that is great for rapid reference or review, **In A Page Infectious Disease** provides a quick overview of the most commonly seen infectious diseases. Each disease is presented on a two-page spread in boxes with consistent headings: introduction; etiology, epidemiology, and risk factors; patient presentation; differential diagnosis; diagnostic evaluation; treatment and management; and prognosis and complications. Bulleted key points appear under each heading. An appendix briefly reviews antibiotics.

This pocket-sized book is ideal for interns, medical students in internal medicine rotations, or USMLE review, as well as for physician assistant and nurse practitioner students.

If you want to buy the e-book, you can open their official web-site and order it. Have a nice learn.

**Peter Lombard:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this In A Page Infectious Disease (In a Page Series) can make you feel more interested to read.
