The Man-eating Leopard of Rudraprayag (Oxford India Paperbacks) Jim Corbett

Most of Jim Corbett's books contain collections of stories that recount adventures tracking and shooting man-eaters in the Indian Himalaya. This volume, however, consists of a single story, often considered the most exciting of all Corbett's jungle tales. He gives a carefully-detailed account of a notorious leopard that terrorized life in the hills of the colonial United Provinces. This story represents Corbett's most sustained and unique effort.
