Wild on You: A Justiss Alliance Novel Tina Wainscott

The Justiss Alliance is an elite team of heroes out to do right. In *Wild on You*, one untamable SEAL meets a woman who handles the wildest sort of animals--until she herself becomes the hunted.

When Rick Yarbrough, aka Risk, a discharged SEAL with a taste for danger, joins the Justiss Alliance, his first assignment seems like a baby-sitting gig: He must guard an out-of-control general's daughter. Then he meets his charge.

Addie Wunder is no baby. She's a dedicated animal-rights activist who isn't above breaking the law if innocent creatures are threatened. But her work has made her a lot of powerful enemies. If she doesn't stop, she may just turn herself into an endangered species.

Risk's mission is to keep Addie out of trouble. But as they grow closer, Addie becomes so much more than a job. And the more he has to lose, the more Risk is willing to put his own life on the line--for her cause, her safety, and her sweet-hot embrace.

RT Book Review: Wainscott's Justiss Alliance showcases hot ex-military heroes by giving them a happily ever after, ranking right up there with the Troubleshooters from Suzanne Brockmann or the Black Ops series by Cindy Gerard. Watching Risk alternate between his role as a professional bodyguard focused on the mission and a guy who just really likes a girl is emotional and sexy as hell. Addie has a heart of gold, so she's very surprised at her feelings for Risk, something that ratchets up the sexual tension from hot to scorching because their encounters are about so much more than sex. Discovering who is threatening Addie is a thrilling focal point to the story. This is a must-read for fans of romance with an edge!

Includes a special message from the editor, as well as excerpts from other Loveswept titles.
